

YOUR GREEN ORGANICS TURNED INTO *healthy soil!*

What Can Be Put in Your Kitchen Organics Basket

Food leftovers, garden trimmings and other organics can be placed in your GREEN BIN and will be processed into nutrient rich compost, soil & mulch.

FRUIT & VEG

BREAD

MEAT & SEAFOOD

BONES

TISSUES

GREASY
PIZZA BOXES

STICKY NOTES

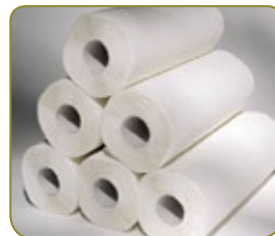

PET POO
& BEDDING

FLOWER
ARRANGEMENTS

CHEESE

KITCHEN TOWEL

EGGS

Only use compostable bags in your kitchen food scrap basket.
Never use plastic bags, even if they say they are biodegradable, as they will NOT break down and compost.
